ANNUAL REPORT for 1932

THE Committee of Management have pleasure in presenting their report for the year 1932.

The great work of the Hospital has been well maintained, and the statistics on page 23 give the details of the work done and the average costs. The Medical Report will be found on pages 40—43.

During the year 143 patients were admitted as a result of accidents.

Of these, 68 were due to motor accidents, the
ACCIDENTS. cost of their treatment being £677 19s. 10d.

Towards this the Hospital received £196 10s. 1d. The amount received from claims made under the Road Traffic Act shows a considerable increase over last year, but the position of Hospitals with regard to motor accidents is still far from satisfactory.

The Committee are glad to report a considerable increase in the
ordinary income of the hospital. In spite of a

FINANCE. year of great trade depression, the total income
amounted to £5,777 9s. 2d. After deducting the

value of gifts in kind, shown for the first time in the accounts, the net increase over 1931 is £529 4s.

Increases were achieved under various headings, notably receipts for and on behalf of patients, £292 4s. 3d., and subscriptions and donations which increased £162 6s. 9d. This is especially gratifying to your Committee. The Hospital Saturday Fund shows an increase of £131 2s. 5d., having reached the record figure of £1,156 2s. 2d. The fund is largely made up of employees' contributions, and the Committee welcome this evidence of the growing interest shown in the hospital by the workpeople of Luton.

It is with regret that the Committee have to record a further reduction in the receipts from places of worship.

The expenditure unfortunately continues to grow, and the Income and Expenditure account for 1932 shows a deficit of £82 17s. 3d. Combined with the fact that the previous year showed a deficit of £454, this has resulted in a debit balance of £57 on the Maintenance account. As a debit balance on the General Fund must tend to retard the development of the Hospital's services, this is causing your Committee some anxiety, and they therefore earnestly appeal to the people of Luton, Dunstable and District to give still further support to their local Hospital.

Expenditure amounted to £5,860 6s. 5d., the net increase over 1931 being £157 10s. 4d. The increase is due largely to salaries, a larger Nursing Staff, the adoption of the Superannuation scheme, and the appointment of a full time Secretary, contributing to this.

The Hospital was fortunate in receiving during the year the following legacies :—

LEGACIES.	The late Rebecca Toyer	...	£20	0	0
	„ „ Sarah Powdrill	...	£100	0	0
	„ „ F. W. Plummer	...	£250	0	0

An anonymous and munificent donation of £135 9s. 5d. was received from “D.E.F.” The Committee acknowledge very gratefully these generous contributions to our funds.

During the year an Appeals Committee of seven members has been formed, with power to co-opt
APPEALS COMMITTEE. a further seven members. The Committee have already held several meetings, and the results of their work may be seen by the increase in Annual Subscriptions. Three members of the Industrial Safety Association have been co-opted on to the Committee, and the value of this co-operation will soon be apparent.

The Hospital has suffered two unfortunate losses during the year.
RESIGNATIONS AND APPOINTMENTS. Mr. H. C. Hambro, who was elected President in 1931, was compelled for reasons of health to resign early in 1932, and Mr. A. Oakley, who was a member of the Management Committee and a Trustee for many years, resigned his positions in July. Your Committee wish to acknowledge the work of these two gentlemen and their regret at the loss the Management of the Hospital has sustained.

At a special meeting of the Governors held in September, Major H. Crawley Ross Skinner, D.S.O., M.C., was unanimously elected President, so that the long association the Hospital has had with the family at Stockwood was once more renewed. At the same meeting Mr. Fred C. Ellingham, well known to you all, was elected Vice-President.

Mr. V. E. Goodman, the Chairman of the Dunstable Hospital Fund, has been elected a member of the Management Committee, and confirmation of his appointment will be asked for at the Annual Meeting of Governors.

Mr. Leonard E. Hawkes, who was a loyal servant of the Hospital for 26 years, resigned his post of part-time Secretary in March, 1932. He
ADMINISTRATION. was succeeded by Mr. R. E. Lingard, of Leeds, who was appointed full time Secretary of the hospital. The Committee desire to acknowledge the care and enthusiasm which Mr. Lingard has shown in carrying out his duties.

The thanks of the Committee are again due to the members of the Honorary Medical Staff and Consulting Staff for their care and attention to the Patients and for their valuable services to the hospital, in conjunction with which the devoted and arduous work of the Matron and her Staff, so frequently praised by grateful patients, deserves public recognition.

The thanks of the Committee are also given to the Honorary Auditors, Messrs. Godfrey, Laws & Co., and the Honorary Solicitor, Mr. W. B. Carnley.

The Annual Pound Day, organized by Matron, was again a great success. 14,075 lbs. of goods were received, the approximate value being £140 7s. 11d., and £60 was received in Donations, a record figure. The Committee wish to acknowledge the help given to this effort by the Teachers and Scholars in Luton and District, by old Patients and many other friends of the hospital.

The first Egg Week was held during 1932, and 3,176 eggs were received. This was a very useful aid to the housekeeping, and thanks are extended to all those who contributed and assisted in the collection.

The Linen League has again proved of great value, and grateful thanks are due to Miss Williams and her supporters, who give so much time and care to this organization. Matron's Working Party has continued its excellent work on behalf of the Hospital. Largely through the efforts of these associations, the expenditure on linen for the General Hospital has been extremely small.

Whilst it is impossible to mention here all the friends who have helped the Institution, the work of our Subscription collectors and Flag Day helpers must be acknowledged.

The Dunstable Hospital Fund presented the hospital with a modern Theatre Lighting Installation in addition to their grant of £40. This has proved to be a valuable addition to an important section of the hospital.

Messrs. Gibbs, Bamforth & Co. published the Weekly Report during the year and also gave the hospital six of each of their three papers weekly for the use of the patients and staff.

Through the kindness of the Luton Rotary Club, the Library Committee and Miss Griffiths, the Librarian, a Library Service was initiated in January, and during the year 1,375 books were issued. The service is greatly appreciated both by the Patients and Staff.

The Gifts and other kindnesses received from the Hospital's many friends have been deeply appreciated. The Committee wish

to pass on to them the heartfelt thanks contained in the many letters of appreciation received from Patients during the year.

The past year has seen a good deal of progress in the policy of the hospital, and 1933 will see further extensions of its facilities. In the X Ray Department a fully qualified Radiographer Masseuse has been appointed, and a Consulting Radiologist is now in charge of the Department. It should not be long before any type of case can be undertaken, so that it will no longer be necessary for any cases to be sent to London or elsewhere.

A Resident House Surgeon will shortly be appointed, and a Casualty Department is being built so that cases of accident and emergency can receive immediate attention.

The Consulting Staff is being considerably increased. It is hoped to appoint shortly Consulting Ophthalmic, Aural and Gynæcological Surgeons and a Consulting Physician.

All these developments will undoubtedly lead to a heavy increase in ordinary expenditure. However, the progressive policy of the hospital must not be retarded for lack of funds, and the Committee have no doubt that the additional income required will be forthcoming.

A Sub-Committee was appointed in 1932 to revise the Rules and Regulations of the Hospital, and the result of their deliberations will shortly be brought forward.

The Committee deeply regret to record the death, since the close of the year, of Mr. H. S. Clogg, who was Honorary Consulting Surgeon to the Hospital for sixteen years.

PRIVATE WARDS

ANNUAL REPORT FOR 1932.

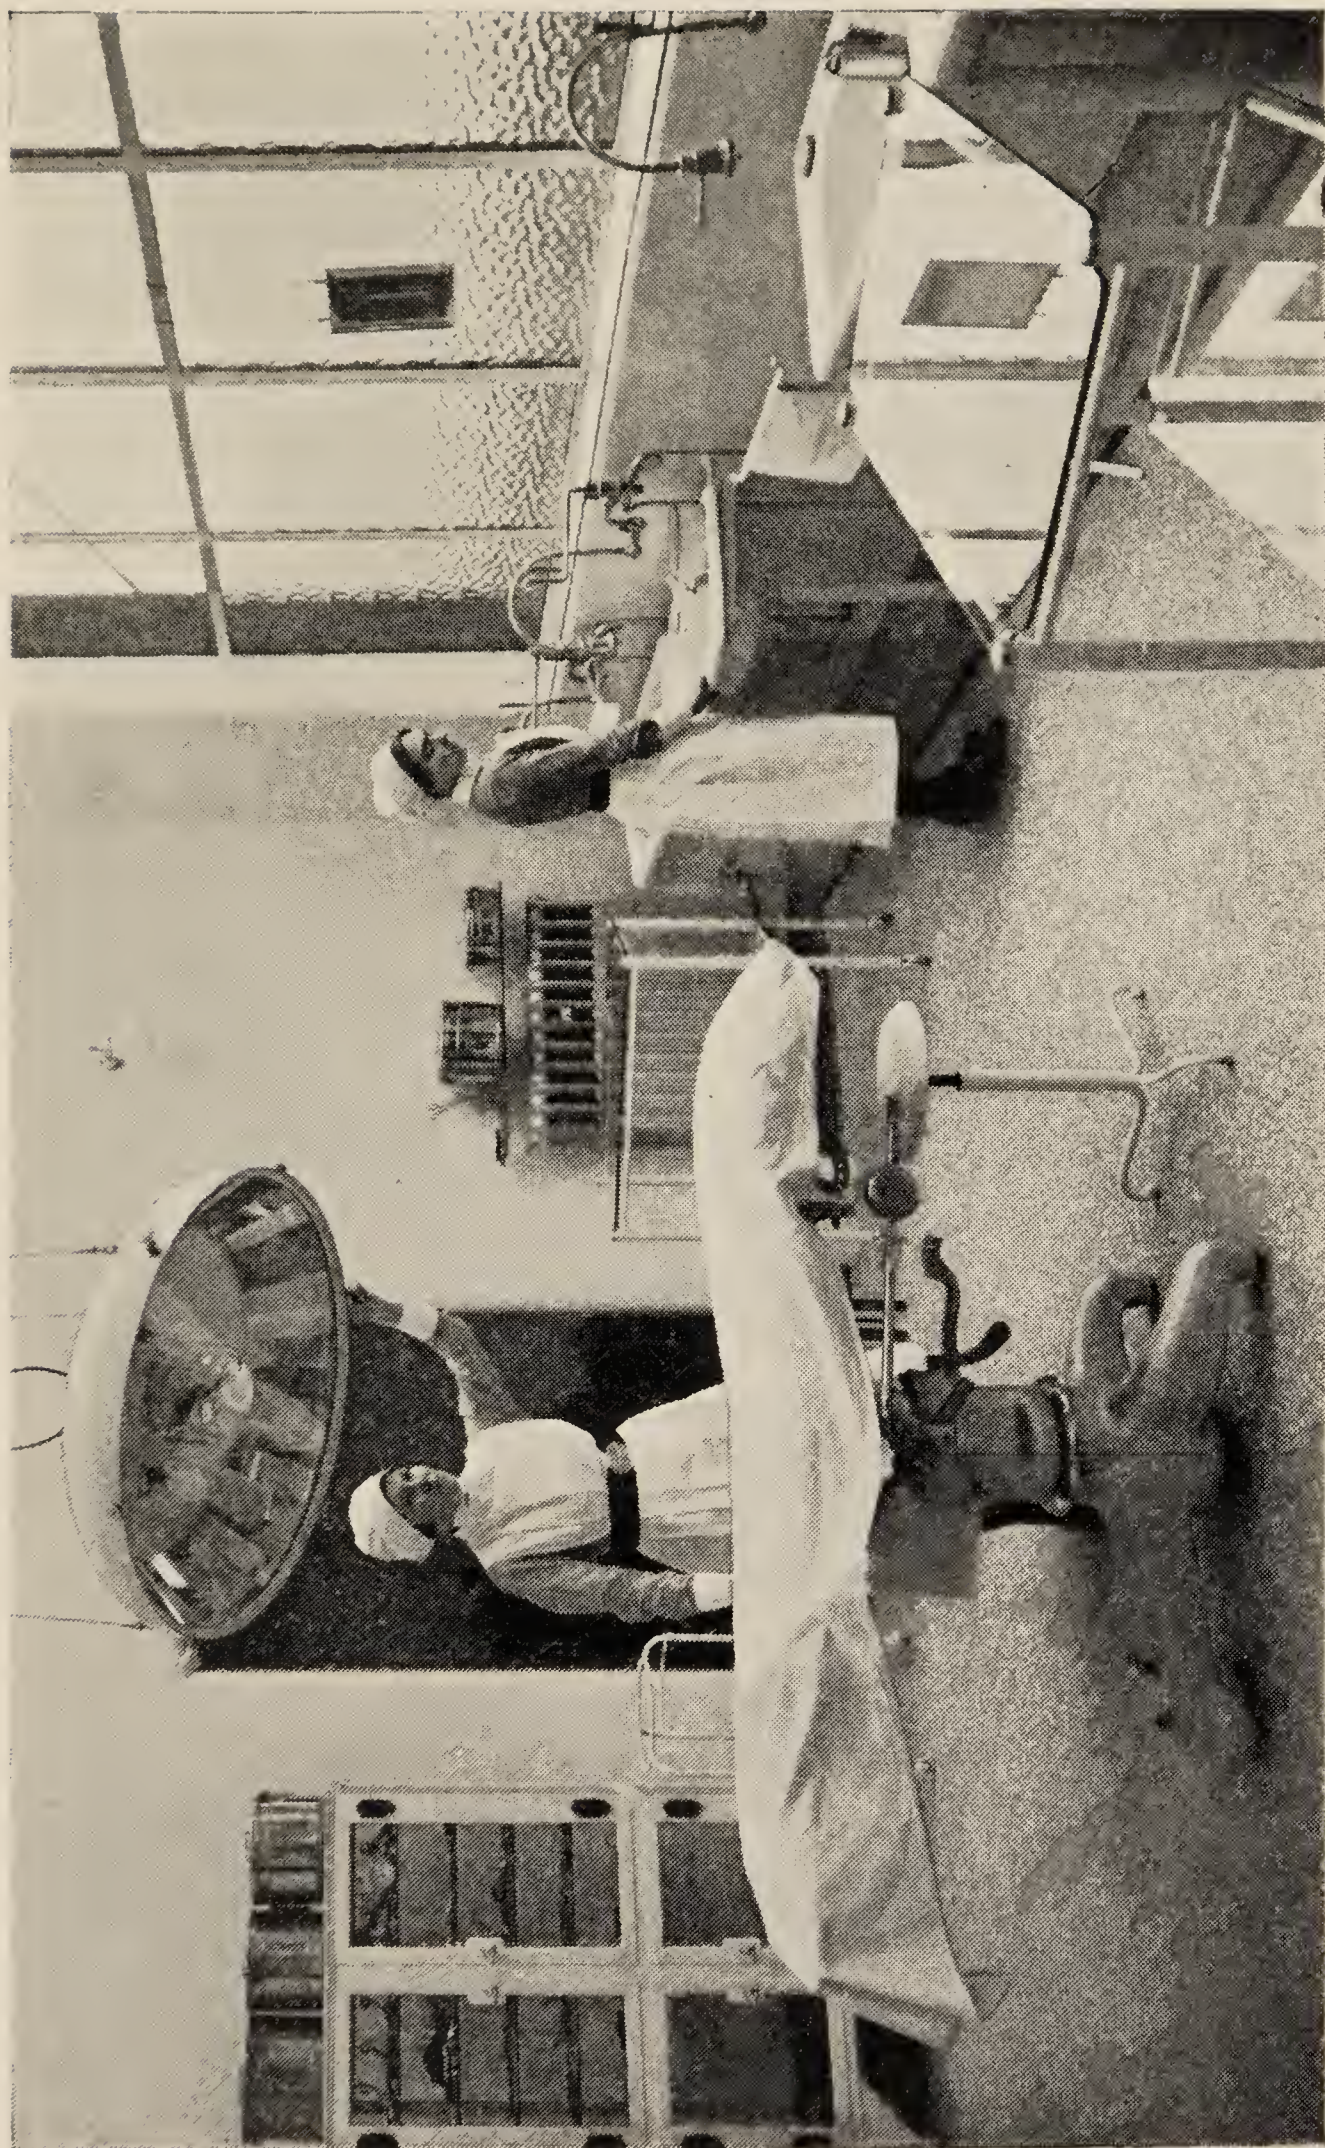

The Committee have pleasure in presenting their report for the second year's working of the Private Wards.

The number of patients admitted was 192, a decrease of 19 on the previous year. Detailed Statistics will be found on page 23.

Income amounted to £3,157 9s. 8d., a decrease of £249 12s. The expenditure was £3,268 2s. 7d., an increase of £246 8s. over 1931. This was largely due to salaries and expenditure on annual cleaning, which was not carried out in 1931, but it is expected that expenditure will now remain comparatively stable. The year closed with a deficit of £110 12s. 11d.

The Committee were very grateful to receive during the year a legacy of £500 from the late Herbert Owen Williams, and a donation of £2 14s. from the Luton Indoor Games League. The debt of £1,147 9s. 7d. to the General Hospital maintenance account has now been repaid, leaving a debt of £4,872 19s. due to the Endowment Fund.

The position of the Private Wards may therefore be regarded as satisfactory.
